## LED Led Terrain Lighting IP65 | 1800W

Looking for powerful and reliable outdoor lighting? The Hermes LED area light is the perfect solution. With its modern technology, robust design, and versatility, this fixture is ideal for parking lots, sports fields, industrial areas, and other large outdoor locations.

### Powerful Lighting for Every Application

The LED lighting delivers excellent performance thanks to its high-quality SMD3030 LED chips. With a lumen efficiency of 140-160 lumens per watt, it offers a maximum light output of 64,000 lumens. The 5000K light color provides bright and natural light, contributing to a safe and well-lit environment.

### SPECIFICATIONS

Nicely ADC12 Die-cast Aluminum Housing  
High-transmittance PC lens, strong protection, and good optical function  
Power: 1800W Driver  
Brand: INVENTRONICS EUM-880S11AMG  
Lumens: 150Lm/W (Standard); 170Lm/W (Optional)  
Symmetry Angle: 10°/15°/30°/60°/90°  
Asymmetric Angle: 117x34°  
Waterproof: IP66  
Life Span: >100,000 Hours  
Warranty: 5 Years  
Operating Temperature: -40°C~+50°C  
Storage Temperature: -40°C~+80°C  
Optional: 0-10V Dimming, Dali, Zigbee, DMX, RGB  
Certificate: ENEC, TUV-CB, CE, RoHS, ETL, SAA

### Built to Withstand the Elements

With an IP65 rating, the area light is completely dust- and waterproof. This makes the fixture perfect for any outdoor environment, regardless of the weather conditions. The robust design, constructed of aluminum, polycarbonate, and glass, provides excellent protection against heavy loads and damage.
